Turkish Citizenship by Investment

15+ year
experience

With the recent changes in the legislation Turkish Republic started to grant citizenship to individuals who invest in Turkey without a minimum residence requirement. The citizenship opportunity has become even more attractive as the minimum investment figures have been further reduced in 2018 and the whole process is usually completed within 2 months. Turkish citizenship provides the following opportunities to holders:

- Permanent right of residence
- Permanent right of work and investment opportunity in Turkey without any limitations
- Visa-free travel to many countries
- Simple and short evaluation process for visa applications to many countries
- All international incentives granted to Turkish citizens with bilateral or multilateral agreements

With our 15+ year experience on global mobility and immigration as PwC Turkey we undertake the citizenship application process from start to end and provide all the associated consultancy and assistance around citizenship.

- Professional relationship with the authorities
- From start to end assistance in every step for the application:
 - Application for the approval document for the certification of investment
 - (Submission of approval for title deed, approval from Banking Regulation and Supervision Agency etc.)
 - Having documents apostilled
 - Obtaining Tax ID number
 - Preparation and submission of Residence Permit Application
 - Accompany in the interview
 - Submission and follow up of citizenship application
 - Assistance with application for Turkish passport
 - Application for family members
- Consultancy in various tax consequences of investment and citizenship
- Secure personal data transfer
- Transparent and compliant process management
